

'Space to grow for any tomorrow'

Our Vision

At Moorlands we aim to provide an inclusive, caring and supportive environment which has high expectations and values all members of our school community. We recognise and respect the needs and aspirations of individuals and provide opportunities for them all to make the best possible progress and attain the highest personal achievements. We see it as our responsibility to provide the opportunity for our children to realise their full potential.

Our Values

At Moorlands, we know that academic performance is highly important; however, we strongly believe that this is achievable with a focus on a child's personal development.

Our **LEARN** values underpin everything that we do and empower our children to take personal responsibility and become resilient, independent learners. The children learn to celebrate diversity with a spirit of understanding and tolerance and develop a positive regard and awareness of others.

Our **LEARN** values are key skills which we believe will help prepare our children for the next stage of their lives. They are reflected in our Metacognition Learning Dispositions.
