

Year 6

Term 5

Pick 'n Mix

Maths:

Practice your maths skills on Doodle Maths!

CHOCOLATE CAKE

Using the cake recipe, find the cost of all the ingredients online and work out the total amount you would need to bake the cake!

Then, work out how much it would cost/ingredients you'd need to make 7 cakes.

Maths

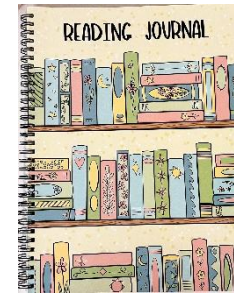

Writing:

Write a persuasive advert encouraging people to buy your favourite food. You could write an advert, create a poster, record an advert for television or record one for radio!

Reading:

Create a reading journal or tracker, where you write the texts you've read, give it a review and whether or not you'd recommend it to a friend. Get creative – you could scrapbook how the text makes you feel, for example! You could also track how many pages you read a day and see if you read on one day more than another!

Spelling:

Practice your spelling skills on Doodle Spell!

French:

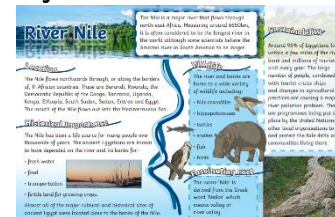

Create a vocabulary poster like the one below for the things you might do on the weekend.

History (ICT/Geography focus):

Create a fact file about the River Nile and why it was important during the Egyptian period. Compare it to other famous rivers!

Include photographs and send it to school to show your classmates!

History (Art focus):

Produce a watercolour picture of the landscape of the pyramids and/or the River Nile.

Alternatively, you could create a 3D model of the pyramids.

Please note: you should only be using the internet under adult supervision. We recommend using swiggle.org.uk as a more child-appropriate search engine than Google.
