

Year 5

Term 5

Pick 'n Mix

Maths/Geography:

Go for a walk using a map of the local area. How many different directions do you move in?

Maths:

Times table rockstars

Maths:

Become a percentage detective around your house. What percentages can you find?

Writing:

As it was Earth Day on 22nd April, create a poem to highlight how amazing the Earth and the creatures are.

Reading:

Research Katherine Rundell and create a fact file about her. Which book would you like to read next?

Spelling:

Continue to practise the year 5/6 common exception words using your best handwriting.

Look, Say, Cover, Write, Check

Science

Create 3 life cycle diagrams, adding their own explanations and diagrams or cutting and pasting those provided.

Geography/Science

Design your own animal to live in one of the following biomes and explain how they adapt to the environment: Grassland, Tundra, Desert or Forest.

Writing/Geography

Imagine you have been taken to the Arctic biome. Write a postcard explaining what you can see, hear and feel in this environment.

Please note: you should only be using the internet under adult supervision. We recommend using swiggle.org.uk as a more child-appropriate search engine than Google.
