

Year 1

Term 5

Pick 'n Mix

Maths:

Can you sort things around your house into pairs? Can you sort pairs of socks or pairs of shoes? Then can you make 5 lots of things or even 10 lots of things? Maybe you could use the sweetcorn on your dinner plate! How many groups of 5 or 10 can you make?

Maths:

Can you answer these missing number problems? Make up some of your own and use a range of strategies to help support you. You might like to use a number line or maybe some concrete resources like counters.

_____ - 6 = 14 _____ - 7 = 12

Maths:

See if you can practise your fractions by finding a half and a quarter. Cut a sandwich into half and then half again to find a quarter. Can you find half of an amount? Count out objects and then share them into two equal groups. Find a half by counting one of those equal groups.

Writing:

Can you remember when to use an exclamation mark or a question mark? Or when to use just a simple full stop? Look at these sentences and decide. Can you make up your own?

Would you like to play with me

Well done Riley

Sam went down the slide

Reading:

Practice the following sounds:

a_e: <https://schools.ruthmiskin.com/training/view/7UdOhTLt/WsCDkYUt>

e_e: <https://schools.ruthmiskin.com/training/view/Ojr5JTAT/XS8MQFG5>

i_e: <https://schools.ruthmiskin.com/training/view/XZMeDAUI/s73Zb39v>

o_e: <https://schools.ruthmiskin.com/training/view/s7vyxmCP/ys9SgQct>

u_e: <https://schools.ruthmiskin.com/training/view/5ONgcdLP/IJuuDMR0>

Practice reading these split digraphs in words and in alien words. Use these links to help and the words below as suggestions.

Real words: *cake, bake, even, bike, like, tone, phone, flute, cute*

Alien words: *frake, eret, yipe, gope, pune*

Spelling:

Here is a list of the Year 1 common exception words that children should be able to spell by the end of the year.

the	do	is	be	here
a	to	his	me	there
of	so	has	she	where
said	go	I	he	were
says	no	you	we	come
are	today	your	by	some
love	was	they	my	one
ask	friend	school	put	once
push	pull	full	house	our

Can you look at where you live on a map? What is near you? Can you spot any rivers, shops or parks on the map? What can you see on the key?

Can you make your own garden? Using junk modelling can you create different flowers and trees out of different resources? Once you've made your garden can you label the flowers and trees? Write a sentence about which is your favourite and why.

Can you draw and write down all the flowers and trees that you know? Go on a nature walk and see if you can spot any new flowers or trees.
