

Moorlands Schools Federation
Year 1 Term 1
Dragonfly and Butterfly Class

Writing

Fiction Writing: Narrative

Non-fiction: Letter

Poetry: Performance

Focus text: Jack and the Beanstalk

We will continue to focus on core skills learnt from EYFS. We will know learn the story of Jack and the Beanstalk and begin to understand how to write a short narrative.

Science

Theme: Seasons

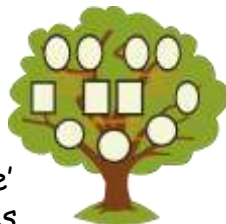

This term our Science lessons are focused on the National Curriculum Year 1 science topic, seasons. We will look at how trees, weather and our clothes change throughout the year. We will look at which months the seasons happen and what happens to the hours of daylight at certain times of the year.

History

Theme: All About Me

In History, we will be looking at our families, identifying what the terminology 'past', 'present' and 'future' means. We will learn about family trees and create our own family tree to share to the class.

Key Texts

Fiction: Jack and the Beanstalk, Goldilocks, Little Red Riding Hood, Jim and the Beanstalk, Billy Goats Gruff, Gingerbread Man

Non-Fiction: How to Grow a Beanstalk

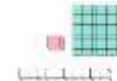

Poetry: On the Ning Nang Nong - Spike Milligan

Maths

Number: Place Value

We will look at using our knowledge of place value to answer problem-solving questions. Our focus will be showing our understanding through representing numbers or using our reasoning skills. We will continue to use concrete objects to help support our understanding.

Design and Technology

Focus: Mechanisms

In DT, we will be learning about mechanisms to make a moving story book.

Thrive Developmental Strand:
Exploring power with responsibility

Understanding the need for rules and practicing how to be socially appropriate.

P.E.

Fundamentals
Team Building

PSHE-RSE

Jigsaw Puzzle Piece: Being Me in my World

We will use Jigsaw sessions to discuss our families and classroom expectations.

R.E.

Focus religion: Judaism

We will recall the story of Hanukkah. Learn about a range of Jewish artefacts such as the Torah and the menorah. We will also learn about the festival 'Rosh Hashanah.

Music

Focus: Colonel Hathi's march

We will experiment with making low and high sounds. We will work with Mr Holroyd for our music lessons whilst continuing to sing daily with our class teachers, learning songs about fairytales.

Computing

Computing: Systems and Networks

Focusing on different technology around us. Digital Literacy will cover Health, Wellbeing and lifestyle in Term 1.

Events

Oct: Black History Month

1/10: PTA Disco

7/10: Individual and Sibling School Photos

9/10: Wear something yellow for World Mental Health Day

13/10: St Luke's Church Harvest Festival (in school)

16/10: Wear red to show Racism the Red Card

20 & 22/10: Home School Partnership Meetings

23/10: INSET day

Year 1

Term 1

Pick 'n Mix

Maths:

Can you write all the different ways to make 10? These are called number bonds.

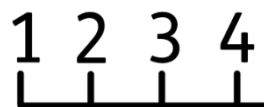

$$0 + ? = 10$$

Maths:

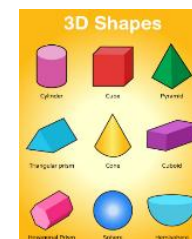

Can you write out a number line? See how far you can go. What number did you stop at?

Can you see a pattern?

Maths:

Can you remind yourself all about different 2D and 3D shapes? Can you make a poster to teach the new Bumblebee and Ladybird children what a 2D and 3D shape is? Draw every shape you know and label them. Think about their properties and include these facts in your poster!

Writing:

Can you draw a picture of the giant from Jack and the Beanstalk? Can you label him? Does he have big stinky feet? Does he have terrible teeth like the Gruffalo?

Reading:

How many fairy tales do you know? Can you make a list of all the fairy tales that you like? See if you can draw a picture to match each fairy tale.

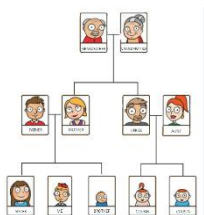

Spelling:

Learn to spell the words:
I, the, me, we, she and he

Wider Curriculum Focus:

Can you write down who is in your family to make your very own family tree?

Design a water park for the 4 different seasons: spring, summer, autumn and winter. What would you need to change for each season? Maybe for the winter water park you would need to have warm water or you might need to have it inside a giant building. For the autumn season you might need a leaf blowing machine at every water slide!

Sign up to a free science account and learn about different types of weather.
