About our school

Moorlands Schools Federation comprises Moorlands Infant and Moorlands Junior Schools. The schools share a ten-acre green and leafy campus in the south of Bath, enjoying breathtaking views over the city. The beautiful green site boasts extensive playing fields, four playgrounds, an orchard, forest school areas and covered outdoor learning spaces, including a tipi situated between the two schools.

The schools operate from two buildings with spacious, light classrooms and other learning spaces, on-site catering facilities and an abundance of outside space for children to use for learning and play. Both schools were rated 'Good' in their OFSTED inspections in 2020.

We are particularly proud of the additional opportunities we offer our children. For example, each class has

a weekly outdoor learning session, delivered by a trained teacher with a background in outdoor education. Our extensive facilities in the Junior School allow us to offer music lessons in different ways, from singing taught by specialists to individual music lessons and opportunities for children to perform as part of a band.

Our pupil body represents the diversity of the community that the schools serve. The schools offer children a variety of opportunities both within and outside school hours, including sports teams, mathletes, a dance squad and an orchestra of over fifty Junior School children who take part in a number of regular local performances.

The school is supported by an active and friendly Parent Teacher Association that organises fundraising and community-building events such as after-school tea parties, parents' quiz nights and an annual overnight camp-out in the school grounds.

Governors and staff share a clear mission to provide an inclusive, caring and supporting environment that has high aspirations and expectations and that values all members of our school community. We seek to cultivate a love of learning and provide excellent opportunities for children to make the best possible progress and attain the highest personal achievements.

With a strong network of schools in central Bath and the wider area of The Bath and Mendip Partnership Trust, Moorlands Schools Federation works collaboratively and widely to get the best for our pupils.

What parents say about us...

Moorlands provides a welcoming, inclusive, supportive environment in fantastic grounds! The school has been unafraid to challenge itself and be progressive. It is a modest but vital asset to the local community!

It has a great family atmosphere and feels very inclusive.

My children are proud to be pupils. They love their teachers and laugh every day.

There is a lovely community feel, and the staff genuinely seem to care for the children and want them to be happy.

My two children have different personalities, interests and abilities, but both have been nurtured as individuals at Moorlands. All staff have gone above and beyond to make my children feel safe, nurtured and special. All that and an amazing site too, with wonderful outside space.

...And what pupils say about us

Life at Moorlands

Lessons are lots of fun,
whatever the subject!

We like learning outdoors
as much as possible

Our choir enjoyed singing
at Bath Abbey

Bath's MP, Wera Hobhouse,
opened our amazing new tipi

We're always encouraged to
celebrate our achievements

↖
This is our
smart new
green uniform,
which is
replacing our
burgundy one

Our orchestra has fifty pupils
in it - and some staff!

Life at Moorlands

Our football and netball teams play in tournaments

We use technology to help with our learning

We learn to love reading when we arrive in Reception...

...And keep on reading all the way to Year 6!

We love having so much space for playing and learning

There are ten acres of grounds to explore!
