

# Year 6 Home Learning Pick 'n' Mix

## Term 5

### DAILY TIMES TABLES PRACTICE

ttrackstars.com

Play on 'Garage' mode.

### Reading

Complete the following table for a book you read:

A similar book I've read...	
A similar feeling I've had to a character in the book...	
A similar experience I've had to a character in the book (if any)...	
Someone I know who is like one of the characters (in some way)...	
Something I learned from the book...	
Something the book made me think about...	

### Life Skills

With adult supervision, learn to:

- Hang a picture on the wall
- Plan a family holiday with a budget set by your adult
- Touch type, using BBC Dance Mat

### History/Geography

Create a map showing the key places in Ancient Egypt. Compare this to a map of modern-day Egypt. How has the country changed?

### History/Science

Research the construction of the Egyptian pyramids. Then, find out which household items would be best to create a pyramid building. The building must be free-standing.

### Computing

Practise using Excel: using your learning from Term 4 and this video, practise using formula. <https://www.youtube.com/watch?v=B6E9dMaFHzc> Once you've done some practising, create a spreadsheet of your choice!
